

# Going On An Airplane

- Today I am going on a plane.
- It is okay to be a little nervous.
- But I will be Safe and Happy with my Mommy, Daddy, and little sister on the plane.
- The plane will take us to Disneyland!

- Before we go to the airport, I will pack my suitcase. Once we get to the airport my suitcase will go on the trunk of the airplane. That is okay because I will get the suitcase when we land at the airport by Disneyland.

- I will also pack my backpack with all my special things for the airplane ride. I can play with them and hold them while I am on the plane.
  - Miffy Book
  - Blankie
  - Favorite snack food

- We will drive to the airport and park in a big parking lot with lots of cars.
- We will walk into the airport which has magic doors that open and close.
- There will be lots of people talking and moving around.
- I will stay safe and hold onto my mommy's hand and won't let go of it.
- If the noise gets to loud, I can put my special noise blocking headphones on.

- At the airport we will need to stand in line to check in.
- We will go to a big ticket counter to get our suitcases ready for the trunk of the airplane.
- Bye Bye suitcase, see you in Disneyland!

- We will need to stand in line to go through a big x-ray.
- I will keep my body safe and calm while I stand in line.
- When it is my turn to go, I will:
  - Take of my shoes
  - Let go of Mommy's hand
  - Walk Thru the X-ray
  - I will see Mommy the whole time and she will give me a big hug when I walk thru.

- We will wait at the gate until it is our turn to get on the plane.
- I can sit on Mommy's lap or play with one of my special things from my backpack.

- When it is our turn to get on the plane, we will walk down a big hallway, I can hold my Daddy's hand.
- On the plane, I will sit next to Daddy and Mommy will sit in another row with my sister.
- I will put my seatbelt on and can hold my Daddy's hand or play with some stuff in my backpack.

- The pilot and the flight attendant will get on a loud speaker and talk to everyone on the plane about airplane rules.
- It is okay if I don't understand, because Daddy is sitting next to me and will make sure to take care of me.

- Now the plane takes off high into the sky!
- It is okay if I get a little nervous but I just need to remember that when we land, I will be in Disneyland!
- I can now play with my toys, cuddle with dad, and get a drink from the flight attendant

- When the plane lands, I will get in line to get off and hold my Daddy's hand tightly.
- We will go down an escalator with lots of people to get our suitcases of a suitcase ride, we will then get in a taxi and go to our hotel in Disneyland!

- I did my best and kept my body safe and used my inside voice the whole time on the airplane.
- Mommy is Happy
- Daddy is Happy
- Baby sister is Happy
- We will have a treat at the hotel for all my good work.
